REPORT TO THE HONORABLE
MAYOR AND CITY COUNCIL
EFFECT OF REDISTRICTING ON RECALL

Here is a memorandum to the City Clerk replying to his questions on what district boundaries are to be used in the forthcoming District 5 recall election. In brief, the answer is that the district boundaries to be used, both for determining voter eligibility and successor-candidate status, are those in effect on August 26, 1990, prior to adoption of the earliest of two redistricting ordinances adopted this year. In other words, the boundaries are those of "old" District 5, the boundaries at the time the present incumbent was elected.

Respectfully submitted,
JOHN W. WITT
City Attorney
